## Reatha M. Williams, D.O.

### BREAST SURGEON

Dr. Reatha M. Williams, Breast Surgeon, specializes in the treatment of benign breast diseases such as fibrocystic, fibroadenomas, breast abscesses, and breast pain, and diagnosis and treatment of breast cancer. After receiving her medical degree from Oklahoma State University-College of Osteopathic Medicine in Tulsa, Oklahoma she completed her residency at Tulsa Regional Medical Center. Dr. Williams' special interest in breast surgery led her to pursue additional training at Harvard Medical School in Boston, Massachusetts, Moffitt Cancer Treatment Center in Tampa, Florida and Presbyterian Institute in Dallas, Texas where she studied minimally invasive breast procedures. She is an active member of the American Society of Breast Surgeons and established a breast program for St. Lucie Medical Center in Florida.
